Letter of Endorsement

Adam Hall – IPC Athletes' Council Candidate

I am writing to provide my strongest endorsement for Adam Hall MNZM, NZ Paralympian #158, as a candidate for the IPC Athletes' Council in the upcoming March 2026 elections. As a two-time Paralympian and current Chair of the [Paralympics New Zealand \(PNZ\) Athletes' Council](#), I have had the privilege of knowing Adam for over 20 years, both as a teammate and as a fellow advocate for Para athletes.

Adam is not only an exceptional Para athlete, but also a true ambassador for the Paralympic Movement. His sporting achievements are remarkable – multiple Paralympic medals, World Championship titles, World Cup and Crystal Globe titles – and a career that has consistently set the standard for excellence in Para snow sports. These accomplishments reflect his dedication, resilience, and ability to perform under pressure at the highest level.

Beyond his athletic success, Adam has demonstrated outstanding leadership and advocacy. He currently serves on the PNZ Athletes' Council, the FIS Athletes' Commission, and has contributed to various national and international committees focused on Para athlete welfare and governance. These roles highlight his commitment to ensuring Para athlete voices are represented at every level of decision-making. Adam's ability to engage constructively with stakeholders and his deep understanding of Para athlete needs across different Para sports make him uniquely qualified for this role.

Adam embodies the values of integrity, inclusivity, and fairness. He is passionate about creating positive change and ensuring that the Paralympic Movement continues to evolve in ways that empower Para athletes globally. His experience, credibility, and commitment will bring a strong and informed voice to the IPC Athletes' Council.

I wholeheartedly support Adam's candidacy and encourage you to recognise the immense value he will bring to the Council and the Paralympic community worldwide.

Yours sincerely,
